Experience It! The Sounds of Fado Music

A night spent inside a "casa de Fado," or Fado restaurant, is an essential experience when visiting Lisbon. Traditional Portuguese cuisine, savory local wines, and the magical sounds of Fado, is a defining part of Portuguese culture. Songs of Fado are based on the feeling known simply as *saudade* – there is no precise translation, and instead is described as a combination of deep nostalgia, strong desire, and melancholy. Fado songs tell stories of happiness, sadness, love and jealousy. Music experts cannot agree on the true origin of Fado; it comes from the Latin *fatum*, meaning fate. Some believe its drawn-out laments are a legacy of the Moorish occupation, while others say it developed from an African dance in Brazil. According to yet another theory, the music's melancholic character evolved from Portuguese seafarers who sang of home during their long absences at sea. Fado emerged as a Bohemian art form in Lisbon's working-class districts of Alfama and Mouraria in the late 18th century. But it was Amália Rodrigues who made Fado known beyond Portugal, performing all over the world during the 20th century. Credited with defining the style of the music, the government declared three days of national mourning and awarded her a state funeral when she died in 1999. A national icon, Rodriguez is buried in Lisbon's National Pantheon.
