Why Host a Ribbon Cutting

- You have recently joined the Chamber
- You have recently opened your business or moved locations
- The business is under new ownership/management
- You have recently expanded or remodeled your facility
- The Business is celebrating a milestone anniversary

For Every Ribbon Cutting the Visalia Chamber Will:

- Provide a pre-event strategy phone call
- Send an invitation to all Chamber Ambassadors & Board Members
- Share event information with e-blasts
- Provide ceremonial scissors & ribbon during the event
- Publish photos of the event on the Chamber's social media and monthly newsletter
- Provide a directory of members who may be able to assist you in your planning efforts (*see below)

The Member assumes any and all liability for any damages, injury and claims relating to the Event including the service of alcoholic beverages. The Member agrees to indemnify and hold the Chamber and its Staff, Directors, Officers and Ambassadors harmless from and against any and all loss, damages, claims, lawsuits, actions, liability, debts, attorneys' fees, costs, litigation expenses, interest, late charges, demands, suits and judgments arising out of or relating to the Event.

Making the Most of a Ribbon Cutting

- **Contact the Chamber to reserve a date & time**
 - *For the best turn out, we suggest hosting your event on Tuesday, Wednesday or Thursday, 11am or 4pm. (Saturday Ribbon Cuttings are limited to availability. Ribbon Cuttings are not available on Sundays.)*
 - *We require booking your ribbon cutting at least 2 weeks in advance or more*
- **Invite clients, customers, vendors, family, and friends**
- **Light refreshments (coffee, water, sodas, cookies, muffins, finger foods) help create a welcoming environment**
- **This is your chance to market & influence those attending! Don't miss the opportunity to hand out coupons or marketing materials (Some businesses raffle items to gather business cards as leads)**
